RE: Method of Execution Scheduled for December 6, 2018

Mr. Miller:

Pursuant to the Tennessee Supreme Court's Amended Order dated July 10, 2018, in Case No. E1982-00075-SC-DDT-DD, this letter is to notify you that the Tennessee Department of Correction (TDOC) will carry out your death sentence by lethal injection on December 6, 2018, unless you notify me in writing by Monday, November 26, 2018 at 5:00 p.m. CST of your waiver of execution by lethal injection, in which case your sentence will be carried out by electrocution. Unless you waive lethal injection, in accordance with the protocol and procedures in TDOC's Lethal Injection Manual, as amended on July 5, 2018, TDOC will use a three-drug combination consisting of Midazolam, Vecuronium Bromide, and Potassium Chloride. TDOC will not be relying upon the Capital Punishment Enforcement Act, T.C.A. 40-23-114.

Sincerely,

Tony Mays, Warden
